

Dear CT Super User,

There is a bill going through the Connecticut General Assembly that would support programs like SeeClickFix in towns across Connecticut. We've run a similar grant program in Massachusetts called "Commonwealth Connect" which has been very successful – nearly 80 towns are using the platform to connect with residents.

If you, your neighbors, or your neighborhood has benefited from using SeeClickFix and you feel compelled to write a short letter in support of SB 425: An Act Concerning Municipal Transparency, Efficiency, and Accountability, send it by email to pdtestimony@cga.ct.gov before end of day Friday, March 11th.

If you are passionate about open government, we welcome you to join us at the public hearing tomorrow, Friday March 11 at 11 AM in Room 2A at the Legislative Office Building (LOB) in Hartford, CT.

We appreciate your support!

Ben Berkowitz, SeeClickFix Founder and CEO
